# NAGS HEAD

## MAP 11

Roanoke Sound

Atlantic Ocean

The map displays the coastal town of Nags Head, North Carolina, oriented vertically. The Atlantic Ocean is to the east, and Roanoke Sound is to the west. The main thoroughfare is US Highway 158, which runs north-south. Mile posts 13, 14, 15, and 16 are marked along this highway. Major landmarks include Jockeys Ridge State Park and Kitty Hawk Kites at the northern end, the Outer Banks Mall, Sea Pointe Complex, and the Village Beach and Tennis Club in the middle section, and Jennette's Pier at the southern end. Numerous residential streets are shown with house numbers, and various public buildings like the Post Office, Fire Dept., and Municipal Bldg. are indicated. An inset map titled 'Dolphin Run' provides a detailed view of a specific residential area with streets like Sandbar, Bluewater, and Links, and house numbers such as 60, 250, 190, 140, 57, 104, and 102. At the bottom, a road sign for Highway 64/264 points 'To Manteo'.
